

Zagame Owners Track Day

The Zagame Adelaide Motorsport Experience

4 December 2019

The inaugural Zagame Adelaide Motorsport Experience is an event like no other.

Starting on track at Australia's newest world-class race circuit, The Bend Motorsport Park, drivers will have the chance to enjoy their vehicle in a controlled environment. The tips learnt on track can then be finessed during the exclusive Zagame Tour of the three-day Adelaide Rally.

There, you will be led on the closed road stages by our experienced tour leaders, driving at a good pace along some of South Australia's most spectacular roads. The atmosphere will be highly social and non-competitive, all whilst enjoying signature Zagame premium hospitality throughout.

Zagame owners will be among the front groups to depart daily, allowing for shorter wait times and earlier finishes. At the end of the day relax and unwind, with newly made friends at private Zagame group evenings.

Participating in the Zagame Adelaide Motorsport Experience

To participate as part of the Zagame Adelaide Motorsport Experience, owners must be driving a modern or classic vehicle with current road registration, purchased or serviced with Zagame Automotive Group.

Zagame Owners Track Day Overview

Available to all Zagame Automotive owners – no matter the road car, no matter the level of driving experience. Limited to just 30 participants, our Track Days are designed to ensure you get the very best from your own road car with the assistance of our accredited instructors, many of whom are accomplished racers.

Our Zagame Autosport team of expert instructors understand that vehicle dynamics vary from car to car; that is why they sit alongside you and show you the skills to fully enjoy your car in a controlled environment.

The full-day program is multi-tiered, offering different levels of driver instruction from car control and dynamic function to advanced training where we help you maximise vehicle performance, whilst also improving your abilities on the track.

Zagame Autosport Track Days are the perfect environment to explore your car's capabilities, improve your own performance driving skills, and have fun with like-minded Zagame Automotive

Directions

The Bend Motorsport Park is located just over an hour from Adelaide CBD, an easy drive straight down the South Eastern Freeway. The main entrance is 543 Dukes Highway, next to the OTR on the eastern side of the road.

Event Format

Please arrive at the track by 8:00am sharp to position your car, complete registration and to attend the **8:20am COMPULSORY DRIVER'S BRIEFING**.

- 8:00am Guest Registration
- 8:20am Welcome & Driver Briefing
- 9:00am TRACK ACTIVITIES COMMENCE
- 12:30pm Lunch
- 1:15pm TRACK ACTIVITIES RESUME
- 4:35pm Event Concludes

What to bring

- If you have your own helmet, please bring it with you, as limited helmets are available to share.
- If you have a fire extinguisher and installation bracket, please bring this installed. Otherwise, these can be hired on the day for \$20. Please note, installation does not require any modification to your vehicle.
- Please ensure you are wearing closed footwear and clothing to cover from collar to wrists and ankles (nylon not recommended). Should you have an open vehicle, goggles or a visor with a lens other than glass (top AS1609) are required.
- Full corporate hospitality will be provided throughout the day, including a gourmet lunch. *Please let us know in advance if you have any special dietary requirements.*

Instructors

If you have never been on track or never been to this circuit, an instructor will be available from the start of the day to assist you. Listen to their advice and ask questions – they want to help you to enjoy the true performance of your car in a safe manner.

Please notify our event supervisor should you wish to have one of our instructors with you at the start of your session.

Utilise the instructors, they are there to help develop your skills and maximise your enjoyment.

Fuel

Please ensure you arrive at the circuit with a full tank of fuel. Fuel is available at the OTR at the main entrance to The Bend.

Essential information

This event will operate under a Confederation of Australian Motorsport (CAMS) Event Permit, and as a result you will be issued with a 12-month CAMS Speed Level 2 License, upon completion of the Speed License Application Form. If you are currently a member of a CAMS affiliated car club, and/or hold a CAMS license of any type, please let one of our team know.

The TOPCAR Activity Entry Form and The Bend General Waiver must be completed by all participants. Please print and complete these forms to the best of your ability and bring to the event. PLEASE NOTE that you will not be permitted on track without these completed forms.

Insurance

Your insurance cover on track is dependent on your provider, so please check your cover before arriving. The day is structured as “driver education” as there is no racing, and instructors and paramedics will be present.

Drivers must hold a current valid driver’s license with no restrictions.

Zagame Automotive will NOT be responsible for any damage to, or loss of property as a result of attending the Zagame Owners Track Day.

Car preparations

- Participation is in your own vehicle and only registered guests will be permitted on the track.
- Please ensure that you have cleared all loose items from your car before you arrive at the track
- It is your responsibility to ensure that your vehicle is mechanically fit for track activities. This includes ensuring that fluid levels are correct, there is sufficient braking performance for track application, and there are no warning lights for key vehicle functions. The vehicle must be in full working order to within the manufacturer’s recommendations.
- Please ensure tyre pressures are set to the maximum pressure as prescribed on your vehicle’s tyre placard

- Please check your tyres are suitable for track use, as vehicles fitted with tyres deemed unsuitable for track use by the Event Supervisor / Scrutineer will not be permitted to participate.

A trained Zagame technician will be onsite to assist with any unanticipated issues but will not be responsible for rectification of any technical or mechanical issues which may thwart or prevent vehicle participation on the day.

We strongly recommend having your vehicle inspected by your authorized Zagame Automotive service centre in the lead up to your track day event.

**PLEASE CONTACT YOUR LOCAL ZAGAME AUTOMOTIVE SERVICE CENTRE TO
BOOK YOUR CAR IN FOR ITS INSPECTION**

Failure to have this pre-event inspection conducted may have warranty implications should any vehicle issues arise. Please contact your service advisor for more information.

General safety

Safety is our top priority, always think safety first. There can sometimes be a wide range of driver experience and vehicle performance so please respect each other and share the track safely.

Ask questions if you have any safety concerns, or are unsure of any terminology used. Please follow instruction given by the instructors and Zagame staff, the event supervisor, safety crew and flag marshals.

Overtaking is allowed on the straight and only when the slower driver has acknowledged you (hand signal). Overtaking is NOT allowed in braking zones or on corners. If in doubt, wait until the next straight. It is your responsibility (as the overtaking driver) to ensure it is safe to make any move.

When being overtaken, be predictable and don't change your line. Use your mirrors, 'ease' off the throttle, and give hand signals out of the window.

If you see an incident on circuit SLOW DOWN IMMEDIATELY with caution. Once you have safely passed the incident please return to pit lane.

Should you be involved in an incident, please remain strapped in your car with helmet on unless it is unsafe to do so (eg. fire). In this instance, please exit your vehicle and move to safety (without crossing the track). Emergency services will be with you as soon as possible.

Accommodation

The accommodation package includes 1x Paddock King Room (dual occupancy) with breakfast at Rydges Pit Lane Hotel, where our Welcome Dinner and track event will be held.

Welcome Dinner

6:30pm, 3 December 2019

An optional Welcome Dinner has been arranged at Rydges Pit Lane at 6:30pm on Tuesday 3 December for guests staying overnight. All guests will have the opportunity to share a meal with the team and get to know other guests before the track and rally activities the following days.

For those guests attending both the track event and Rally, from 4:30pm there will also be an opportunity to scrutineer your vehicle, install your decals and receive the mandatory Driver Briefing from Tim Possingham, Adelaide Rally Organiser.
